To all:

I Apologize For The Crown Point 4th Of July Tournament.

I have received many calls from teams and fans regarding the past tournament. I set this up with the Crown Point softball organization and handed it off to my Indiana NAFA Director. All of the problems experienced this year will not be there in 2010.

If Crown Point Girls Softball allows NAFA to return I will conduct the tournament, and the following will prevail:

- 1. No gate fee for fans.**
- 2. 90 minute pool game times**
- 3. No time limit for bracket play.**
- 4. International rule in the 8th inning**
- 5. Awards for the top four teams in each age group.**
- 6. Individual awards for each champion in each age group.**

If Crown Point does not wish us to return it will be held in the Lake County, Indiana area or in a nearby Illinois complex.

I will post the tournaments on my web site.

Since I set everything up I take full responsibility for what occurred there.

Thank you.

Ed Serdar, region 7 NAFA Director.
